

Side Letter
between the
All Faculty Association
and
Sonoma County Junior College District
regarding
Special Education Leaves
December 15, 2025

The District agrees to make available Special Education Leaves for the following circumstance not covered in the Contract:

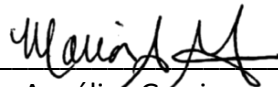

Loss of regular faculty assignments under AB 1705. This provision covers regular faculty members who have lost all or part of their contract load assignments due to the discontinuance of pre-transfer level Math and English courses and who do not hold an additional FSA or meet Minimum Qualifications in another discipline.

Eligible faculty members will request the leave and the District will follow the approval process as outlined in 28.12.C-F.

Compensation for approved leaves will be determined as described in 28.08.
