

This notice is to remind the College community of contract provisions governing hourly faculty assignments codified in Article 16 of the AFA-District Contract:

- ❖ *The District will communicate with faculty in order to promote transparency in making hourly assignments. (§16.02.A.6)*
- ❖ *Electronic Publication of the Schedule constitutes the District's approval of the schedule and assignments. (§16.02.A.4)*
- ❖ *The District may cancel or revise initial, electronically published hourly assignments only in accordance with provisions cited in 16.06. (§16.02.A.5)*

The District's unilateral decision to significantly reduce the Summer 2018 class schedule, and its to-date failure to address the relevant questions that have been raised by the faculty, is a violation of §16.02.A.6. The District would do well to immediately rectify its failures regarding transparency in the making of hourly assignments.

Cancellation of classes for reasons not supported by the Contract is a violation of §16.02.A.5 and §16.02.A.6.

None of the right-of-cancellation provisions of Article §16.06 have been met.

AFA will file a class-action grievance on behalf of all faculty members who lose summer assignments due to non-contractual cancellation of classes.
